Who Wants to be a Millionaire

If you have not tried this new game at Garnett Place, you are missing out. Who Wants to be a Millionaire is a famous game show on television where contestants win a lot of money by answering questions. They can win up to \$1 million dollars. At Garnett Place, there are two teams and a host. The object of the game is to win more money than your component. It challenges the mind and is TONS of fun. Watch the calendar for playing times and join us in the Lobby.

Chef's Corner "JP"

There is so much that goes on this month! First, we have our Holiday Meal. Last year's meal went great and I expect nothing less for this year's meal. There will be plenty of food, so don't be shy about how much food you take. Second, of course there is Christmas. This is one of my favorite holidays! I wish everyone to have a very Merry Christmas with all your friends and family. And finally, New Year's Eve is at the very end of this month. I want everyone to have a very Happy Holiday Season, and make sure to ring in the New Year with a bang!

Activity Corner

Hello Residents!

I just wanted to tell you how much I enjoy working with you and creating activities/events that socially satisfy you. I love coming to work (if you call it that)! How many people get to enjoy the company of so many wonderful seniors day in and day out? I am lucky. Continued feedback about our activities program is very important to me. Please never hesitate to share what you feel might need improvement in our program. For the holidays I have tried to plan some fun outings. Anytime you would like to be a part of our outings please always call the transportation number 540-3630 or sign up in your dining room so we can ensure enough seating. Thanks again for your friendship and participation in our community!! God bless, and happy holidays!
